3. After receiving the permission for filing manual bill of entry from the Competent Authority, the following details of the bill of entry will be entered in ICES by the Import/Export section in MBE Role:

- a) IEC

In certain cases, where IGM details are not applicable (such as Domestication of Containers), separate entry option has been provided for the same.

Once a Job Number is assigned by the system, the IGM details (where applicable) are matched and linked with the cargo declared in BE.

4. The declaration with the job number shall then move to the Assistant / Dy Commissioner of the concerned group who may approve the job in the Role of ACL in ICES after recording the reasons for Manual BE and the Reference No. of file approval by Commissioner.

5. A six Digit Bill of Entry number (Running serial No. across all customs locations) would be generated through ICES1.5 and assigned to the declaration, after the concurrence of the Group Assistant / Dy Commissioner. The Group Assistant / Dy Commissioner (in ACL Role) has a menu "Manual BE/Challan Generation"

6. On generation of BE number in ICES1.5, the BE will be assessed on paper as per usual manual process. After assessment of the paper bill of entry by Group Appraiser and Assistant / Dy Commissioner concerned, the Group Assistant / Dy Commissioner (in ACL Role) has an option to enter the total duty and licence associated, if any with the BE, in the ICES 1.5.

7. The Group Assistant / Dy Commissioner (in ACL Role) will generate the challan of duty amount to be paid by the importer, post adjustment in license, etc., if any, would then be generated in the system and be available for payment in the e-payment portal ICEGATE and bank. Once duty paid, the receipt of payment would be automatically integrated in the system. No manual challans would henceforth be allowed for duty payment.

8. After payment of duty through online icegate e-payment, the Importer will visit the Shed Appraiser for OOC of the BE. The OOC acknowledgement shall be entered by Shed Appraiser in the option provided in the SUP role. Once goods are cleared, the docket shall be forwarded to the Import/Export section which shall enter the remaining details including examination report of that Bill of Entry using MBE role. The Group Assistant / Dy Commissioner may ensure that post clearance of goods, the complete details have been entered in the ICES 1.5 on the date the OOC is given, and not later than the next day in case of adequate reason.

11. All concerned are requested to monitor and supervise the implementation of the prescribed procedure by formations under their charge. Difficulties, if any, in implementation of the prescribed procedure may be brought to notice of the undersigned.
